

# Reveal Venice

il tuo Personal Concierge  
by Naonis Viaggi

Dear Guest,

I'm very pleased to invite You to visit the fabulous city of Venice and, as Your personal concierge, **I'd like to introduce to You the secret side of this city.**

I'll be pleased to provide You the best accommodation and I'll be able to make you visit wonderful private Palazzi, their hidden gardens, drink a cozy tea with the landlords who will tell You the true story of the city and of the noble families.

Or you could also try the experience of a "shopping food tour" with a chef and take a cooking class, so to learn how to cook some of the most traditional dishes.

And what about a new fancy dress for the Carnival party? I can find the perfect antique costume for You to rent in the most prestigious ateliers.

Venice is art, beauty, theatre, music, amazing views, shopping... I would like to give You the opportunity to breath **the authentic atmosphere of this Fairy Tale.**

There are plenty of art exhibitions that the tourists don't even imagine, pic nic on the boats while sailing through the Laguna, amazing scenarios hidden in the Islands, perfect for your pictures and your memories.

But there are so many things to show You that the list would be too long.

From the most historical beautyness to the funniest rides with a canoa, from the most exclusive parties to the incredible private apartments with a view, or to an excellent charm hotel, where You'll spend unforgettable moments.

So please, just tell me what is Your venetian dream and give me the opportunity to realize it!
